Notes to Editors:

About Oxford Immunotec Global PLC

Oxford Immunotec Global PLC is a global, commercial-stage diagnostics company committed to improving patient care by providing advanced, innovative tests in the field of immunology. Its proprietary T-SPOT technology platform allows it to measure the responses of specific immune cells, known as T cells, to inform the diagnosis, prognosis and monitoring of patients with immunologically controlled diseases. T cells are a central component of the human body's immune system, and are implicated in the control and progression of many medical conditions, including certain types of infectious diseases, cancers and autoimmune diseases. Oxford Immunotec Global PLC is headquartered near Oxford, UK and in Marlborough, MA.
